

Patricio Bas

Managing Director

Industrial Civil Engineer graduated from Catholic University of Chile with a Master of Business Administration from London Business School in United Kingdom.

Patricio joined Forestal del Sur in 1993 and currently serves as Managing Director, overseeing the operations of both the Santiago and Concepción offices. During his first 19 years with the company, he led the Concepción operation, gaining in-depth knowledge of the local market and operational dynamics. He later transitioned to the Santiago office, where he has held the position of Managing Director to date.
