

Pedro Gouët

Concepción Area Deputy Manager

Graduated from Catholic University of Chile.

Joined Forestal del Sur in 1991 serving as Concepción Office Deputy Manager, where he has been responsible for operations and commercial activities of the branch. He played a key role developing the domestic trade of sawlogs, pulplogs and woodchips with an estimated annual volume of 1.000.000 CBM. In 1987 he joined CMPC Shipping Department and in 1983 starting his promised career at Hualpén (Stevedore Company) as Loading Operational Manager.

Mr. Gouët possesses deep knowledge of the region and the companies operating in the forestry, pulp, fishing, and maritime transport industries. His leadership and contribution to Forestal del Sur have been crucial for the positioning of Forestal del Sur as a leading player in the region.
